TERMS AND CONDITIONS
FOR MARYLAND MILLION STALLION NOMINATIONS
Current Breeding Season – 2024 Breeding Season

1. For a Maryland stallion to be nominated for the current breeding season, at least one-half of the total nomination fee must be delivered by or received in an envelope postmarked no later than January 31 of the current breeding season.
2. The total nomination fee as reported on this form should equal the current breeding season advertised stud fee, or if not advertised, the prevailing fee paid by third parties. Under no circumstances shall the nomination fee be less than \$500 or greater than \$20,000, regardless of stud fee.
3. Stallion Nominations paid in full by January 31 of the current breeding season are entitled to a discount of ten (10) percent. Example: A stallion with a stud fee of \$1,000 can be nominated for \$900 if paid by January 31 of the current breeding season.
4. If a stallion owner/nominator pays only one-half of the total fee by January 31, the entire balance shall be due by July 31 of the current breeding season. Any balance unpaid after that date shall be subject to an automatic 1.5% per month late charge.
5. If a nomination fee is based on a reported stud fee that is less than the advertised or prevailing fee, the stallion owner/nominator will be given 30 days to, a) confirm the accuracy of the reported stud fee, b) pay the additional funds required to bring the initial nomination fee to half the level set by Maryland Million Ltd., or c) cancel the nomination and receive a refund of any amount paid over \$250. Failure to resolve any dispute will result in automatic cancellation. A minimum of \$250 shall be non-refundable under any and all circumstances.
6. If a stallion owner/nominator fails to pay the whole nomination fee, plus applicable late charges, by October 31 of the current breeding season year, the stallion shall be suspended. Foals conceived during the current breeding season will not be eligible for nomination unless all past-due nomination fees and penalties are paid by October 31 of the current breeding season year. Nomination fees paid during the suspended season will be refunded, minus a \$250 fee.
7. Suspended stallions will be allowed to nominate in a subsequent breeding season, but that does not change the status of foals conceived during the season in which they were suspended.
8. There are no procedures for supplementary nominations to the Maryland Million. Unless Maryland stallions are new (see #9) or nominated by January 31 of the current breeding season, their foals conceived in the current breeding season will not be eligible for nomination.
9. Stallions going to stud in Maryland for the first time after January 31 of the current breeding season, whether just off the racetrack or moving in from another state, may, at the discretion of Maryland Million Ltd., be permitted to be nominated during the current breeding season.
10. Maryland Million Ltd. reserves the right to postpone or change the conditions of all or any part of the Maryland Million program without any liability. Maryland Million programs may be canceled without notice and Maryland Million Ltd. shall have no liability except to make distribution of funds in the form of purses, awards and nomination fees less administrative expenses.
11. Maryland Million stallion nominator awards will be paid to the owner indicated on this form when the progeny conceived in the current breeding season are one of the top four (4) Maryland Million-eligible finishers in any Maryland Million restricted or premium race. These stallion nominator awards are independent of any other Maryland stallion award program.
12. In the event that the progeny of any nominated stallion are ineligible for any reason whatsoever to run in Maryland Million races, no refunds will be paid to stallion nominators. Stallion nominations are made with the express understanding that no assurances with regard to entry of progeny in any Maryland Million races, beyond eligibility for nomination to the program, are being given.
13. Maryland Million races shall be run in compliance with the racing rules and regulations of the Maryland Racing Commission. Maryland Million Ltd. shall have no liability for the actions of any officials or employees of the track where such races are held or for any matter under the track's control. Purse and award payments shall be made to the owners or lessees recognized as such by the track and the Maryland Racing Commission.
14. Maryland Million Ltd. reserves the right to broadcast, televise or record Maryland Million races and the activities incident to them, and to exploit same by any means. Maryland Million Ltd. also reserves the right to use the names and likenesses of nominated stallions and their progeny in its promotion and advertising in any manner deemed appropriate.
15. The nominator grants his consent to be photographed without remuneration, and agrees to obtain such consent from his employees, agents and associates when and if required.
16. The nominator understands and consents that use by him of the name or logo of Maryland Million Ltd. shall be in accordance with the rules established by Maryland Million Ltd. The nominator agrees that advertising a stallion as nominated to the Maryland Million program for the current breeding season shall constitute a commitment to nominate for that breeding season.
17. Maryland Million Ltd. makes no representations or warranties as to benefits being realized as a result of participation in the Maryland Million program. Maryland Million Ltd. shall not be liable if any benefits anticipated by a nominator are not realized for any reason whatsoever.
18. Maryland Million Ltd. is a trade association and, accordingly, nomination payments are not deductible as charitable contributions for federal income tax purposes but may be deductible as business expenses.
